

Call for New Members

The Environment and Climate Research Hub (ECH) at the University of Vienna is inviting early career researchers to apply for membership

The ECH brings together outstanding researchers from across disciplines to advance environmental and climate research, foster interdisciplinary collaboration, and strengthen research impact, public engagement and capacity-building.

Who can apply

Researchers at the postdoctoral or senior scientist level, employed at the University of Vienna, from all disciplines with a strong research focus on environment and climate.

What we are looking for

- Scientific excellence in environmental and climate research
- Strong motivation and active contribution to ECH activities (annual retreats, research workshops, outreach activities)

Benefits of an ECH membership

- Access to seed-funding opportunities
- Opportunities and support for public engagement, workshops and events
- Extensive interdisciplinary networking and collaboration
- Membership is granted for two-year terms with simple renewal for active members

How to apply

Send us a motivational letter & vision statement (up to 2 pages) as well as a short CV (up to 3 pages) in one PDF-file by February 1st, 2026. Submit your application via ech@univie.ac.at.
